

Center the protractor on the intersection of **D** and **4**. Make sure that 0° and 180° are on the **4** line, and 90° and 270° are on the **D** line when you make the measurements.

Degrees	Distance	County
45°	65 mm	Florence
130°	80 mm	Sheboygan
195°	90 mm	Grant
320°	65 mm	Sawyer
